

Introduction to Self-Appraisal

The “case” against self-appraisal must be made. Answer the following questions:

1. Why do I think I should not take part in self-appraisal?
2. What aspects of self-appraisal make me uncomfortable?
3. How may I look at self-appraisal from a new point of view?
4. What new information would help me reconsider my assumptions regarding the practice of blowing my own horn?
5. Does completing this review change my thinking about whether or not I should promote myself?
